

FISHIN' WITH A MISSION

Bass Tournament and Family Festival
to benefit United Way of Santa Rosa County

**April 11, 2009
Milton, FL**

Presented by:

It's time to go ***FISHIN' WITH A MISSION*** in 2009!

Three years running, Fishin' With A Mission is growing in leaps and bounds! This year you can reach out not only to the fishing community but also to the general public as we are adding a **Family Festival** to this exciting event!

In 2008, 100 boats participated in the tournament and over 500 people enjoyed the fun at the weigh-in and evening concert. With an all-day festival, we anticipate a large increase in the crowd size throughout the day.

Take advantage of this opportunity to reach out and support our community while helping with a fun family event!

Keep in mind that your contribution is a donation to United Way of Santa Rosa County and is also tax deductible as permitted by law.

Thank you for your continued support of United Way and our community!

If you have any questions, don't hesitate to call Stephanie Saylor at United Way of Santa Rosa County at (850) 623-4507!
